### KALLESKE CONGRUOUS CHENIN BLANC SEMILLON

The palate is plush, medium in body. Ripe white stone fruits are complimented with generous but integrated oak. A creamy texture is nicely balanced with a mineral edge and light phenolics adding a cleansing gentle grip. The soft natural acidity hides in the back, letting the textural layers shine. It is very lengthy to finish.

### KALLESKE ZEITGEIST SHIRAZ

These black and blue fruits, including blackcurrant, plum and blueberry, are in full force on the richly flavoured full-bodied palate. There is also pepper and spice, accurately reflecting the vintage. Tannins are lightly grippy adding to the pleasant structure and continuing to give a long dry finish.

### KALLESKE PARALLAX GRENACHE

These lively characters continue to the light and bright palate. Superbly juicy, oozing with crunchy fresh red fruits. Cherry, strawberry and a touch of herb. Naturally chalky tannins give structure. A stinky edge is evident giving frame to the vibrant fruits. Whilst light and lively throughout, the depth and interest of flavour makes for a compelling wine, completed with a long finish.
